Dear Friends;

Studio B is one family making fine miniatures in three states. My son and his wife make tin lighting devices, accessories and country painted tinware in Virginia. My daughter and her husband make miniatures of American Folk Art in New Jersey and my husband and I make the furniture listed below in our home in upstate New York.

Although we have not quite completed orders from the last year's show, we are nearly caught up and will accept your order if you're not too impatient for quick delivery. Most will be ready within 12 months, others may take longer.

Please do not send money. A bill will be sent you before shipping.

Sincerely,

Millie Burkemeier
